PETERS HOME

HAVE FINE VISIT IN EAST—SAY THOUSANDS COMING WEST THIS FALL

J. E. Peters and wife arrived at home Saturday morning from a several weeks' visit to relatives in Illinois and Indiana. They stopped in Liberty, Bloomington and Mt. Carmel, Ill., and Indianapolis, Terre Haute and Evansville, Indiana. Crops all along the way looked very flourishing except in a very few districts. Rains had been very seasonable and the corn, especially, was making a marvelous growth. The oats and wheat both made record-breaking yields and farmers were never so prosperous as now. There is almost no building going on, even in the larger cities like Indianapolis, but all residences seem to be occupied. So many are planning to spend the winter in California, with a possible view of locating, that building plans are "up in the air." The California movement is positively marvelous, Mr. Peters says, and he actually got tired of answering eager questioners, day after day. He believes that the rush to this section of the state this fall will be in the nature of an avalanche and will probably tax our resources to the utmost to take care of the thousands of visitors.

Free Band Concert

The California State Band, organized in Oakland in 1901, now on its 16th annual tour of the state, will give a free open air concert at the corner of Broadway and Brand this evening, commencing at 7:45. There are 17 pieces in the band and F. E. Mummert is general manager; R. H. Becraft, assistant manager, and W. R. Tenney, conductor. They are traveling in their own auto bus and giving these concerts in all the principal cities of the state. The players are mostly young fellows and they say they stand for efficiency in music, education by travel, high morality.

Girls Enjoy Camping

A party of girls who graduated from the Intermediate School last June went to Orchard Camp, on the Mt. Wilson trail, last Friday, for a hike and camp out, returning last evening. They were accompanied as chaperone by Miss Gladys Sharpe of 109 West Lomita avenue, who was their teacher last year. They rented a cabin in Orchard Camp but slept in cots in the open and did their cooking outside. One of the delightful experiences enjoyed was a moonlight hike to Lookout Point to get a view of the wide valley below. The girls making up the party were Margaret Longley, Lina Borthick, Amy Bainbridge, Winifred Spindler, Lucille Allen, Winifred Parker, Carita Walker, Cecile Chase, Helen Porter, Charlotte Blakney, May Stanley, Lois Naudain and Margaret Brown.

House Started Long Ago

At 122 Franklin Court there is the commencement of a large house that has stood as a mute reproach to the builder who deserted it for nearly 14 years, neighbors say. It was constructed by Harry Stark the man who put in the main stone arch and other stone work at Forest Lawn cemetery. There is a foundation, about 36x60, with the plumbing in and floor joists laid, also the sub-flooring for hardwood. A cement porch and cobblestone columns ornament the front. The property has changed hands twice since the house was started and still this fine commencement of what could be a large apartment house or 8-room residence is not pushed to completion.

Return From Colorado

James E. Cazer and family, who lived for more than a year at 413 E. Elk avenue and went back to the farm near Windsor, Colo., some months ago, have returned to California, all except the oldest boy, Jennings, who remained to look after the farm. They are now at Long Beach, but Mr. Cazer was in Glendale Saturday to buy a home, as the family much prefers Glendale as an abiding place. Mrs. Cazer's health improved so much when they were here before that they decided to settle down in this locality, as it was found she could not live in Colorado, her health beginning to fail as soon as they went back.

JEFFRIES DRAWS 'EM

OLD NEIGHBORS FROM DAYTON, OHIO, COME TO VISIT HIM, STAY

Geo. Jeffries of 330 Salem is attracting some of his old neighbors out here from Dayton, Ohio. Two months ago W. W. Atchley, wife and baby came from there and Mr. Jeffries finally found them a house to live in at 1210 East Lexington Drive. Mr. Atchley was a salesman for the Dodge Agency in Dayton, and caught on at once with the Los Angeles agency for the same car, but prefers living in Glendale. Another friend and old neighbor of Jeffries, C. Pyles of Dayton, has just arrived and is now a guest at the Jeffries home. He is a licensed engineer, and came out here for his health, thinking that if he liked it he would send for his wife and settle down in some coast city. Mr. Jeffries says he likes Glendale mightily already and looks for him to buy property and settle in the city.

ENDORSE COKER

LOCAL VOTERS ASK SUPPORT FOR GLENDALE BUSINESS MAN AT PRIMARIES

We, the undersigned residents and property owners of Glendale, feel that Harry Coker's election to the very important office of Supervisor of the Fifth District in which we live, would mean a great deal to Glendale. Mr. Coker has lived here for 15 years, is a property owner and naturally interested in everything that is for Glendale's good. We know him to be an honest, successful and capable business man, and therefore do not hesitate to ask our friends and neighbors to support him at the primary election, tomorrow, August 31st.

Birthday Surprise

Miss Marian Springer, of 337 S. Orange, who is a helpless invalid, not having walked for more than a year, was given several pleasant surprises Friday, which was her 17th birthday. Friends came dropping in during the day, bringing presents and voicing good wishes. Among these was Mrs. James McGruder of Los Angeles, who remained till Saturday as a guest of the family. A letter of sympathy and cheer from Mrs. Eva Hutton, who is making an extended visit in Washington, Ill., and other cities of Illinois as well as Indiana, was one of the surprises most gratefully received.

New Residents

Mr. and Mrs. John Wagonor, formerly of Greenville, New Jersey, have arrived at the home of Mr. and Mrs. Springsteel of 115 South Pacific avenue, and will be residents of Glendale, they having sold their home in the East. Mr. and Mrs. Wagonor have both agreed they are now in the land of sunshine and flowers after a fine trip across the country.

BRAND COX CHARGES LIBELOUS

WILL HAYS DECLARES ORGANIZED LIQUOR INTERESTS DETERMINED TO ELECT DEMOCRAT

(Special Service to Glendale Evening News)

CHICAGO, Aug. 30.—"Governor Cox's charges are false in what they say and libelous in their purpose," Chairman Will Hays of the Republican national committee declared when he took the witness stand before the Senate investigating committee campaign fund hearing here today.

In a long prepared statement Hays said the national committee budget was slightly over \$3,000,000. This does not include collections for states where there is a mutual agreement that such collections for state and national committees shall be made jointly, he said. This latter fund should approximate one million dollars.

Hays also declared that the organized liquor interests were determined to elect Cox, and were raising campaign funds for that purpose. He read into the record a letter written by George T. Carroll, president of the New Jersey Liquor Federation asking contributions and referring to Cox's nomination as a "great victory for us."

ARMISTICE CONFERENCE AT RIGA

POLAND PREPARING FOR ANOTHER RUSSIAN OFFENSIVE FOLLOWING REPORTS FROM GALICIA

(Special Service to Glendale Evening News)

WARSAW, Aug. 30.—Preparations were under way today to transfer the Russo-Polish armistice negotiations from Minsk to Riga, following an agreement between the two governments. A conference of officials will be held at Brest-Litovsk before the transfer, which is expected to be completed this week.

Polish staff officers today expected another Russian offensive upon receipt of reports that the Bolsheviks are organizing armies in eastern Galicia. Sporadic fighting was reported in the Lemberg region, where the Bolsheviks are trying another encircling movement.

RIOTING IN BELFAST

MAC SWINEY SUFFERS ANOTHER COLLAPSE AND DEATH IS EXPECTED HOURLY

(Special Service to Glendale Evening News)

BELFAST, Aug. 30.—Sailors and soldiers restored order here today following a night of fighting between Orangemen and Catholics.

The rioting centered in the York district and involved hundreds of shipyard workers. Three men and one woman were killed today, bringing the death toll for the last three days to 15.

The Orangemen have been continuing systematically to expel the Catholics, of whom more than four thousand are reported homeless and destitute in Belfast and environs.

LONDON, Aug. 30.—Terence MacSwiney, Lord Mayor of Cork, suffered another collapse in Brixton prison this afternoon. Physicians said he was expected to live but a few hours. This is the eighteenth day of his hunger strike.

Muriel MacSwiney, his wife, was on the verge of collapse today. She has been almost constantly at his bedside.

It was believed efforts would be made to forcibly feed MacSwiney when he becomes unconscious.

NEGRO MURDERER LYNCHED

BODY OF CLAUD CHANDLER WHO KILLED SHERIFFS IS FOUND HANGING FROM TREE

(Special Service to Glendale Evening News)

OKLAHOMA CITY, Okla., Aug. 30.—Officers here today found the body of Claud Chandler, negro, and alleged slayer of deputy sheriffs who raided his home last week, hanging from a tree near here. Thirty masked men overpowered jailers and lynched Chandler last night.

VELVET SPECIAL DERAILED

ENGINEER KILLED WHEN SOO LINE TRAIN IS WRECKED AT NEENAH, WISCONSIN

(Special Service to Glendale Evening News)

NEENAH, Wis., Aug. 30.—The Soo line "Velvet Special" was derailed near here early today. The engineer was killed and fireman injured. None of the 200 passengers were injured, although the train caught fire and was partially destroyed.

CHICAGO MERCHANT MURDERED

(Special Service to Glendale Evening News)

CHICAGO, Aug. 30.—Mrs. Gladys Jacobson drove her automobile to a hospital here today with the dead body of H. B. Rhodes, wealthy drygoods merchant, beside her. Mrs. Jacobson declared Rhodes was shot and killed by a lone bandit who held them up. She is being held pending investigation.

TRACTOR SHOW

MANAGER GUY H. HALL WRITES IT WILL POSITIVELY BE HELD IN GLENDALE

The following letter from Guy H. Hall, manager of the National Tractor & Implement Show of the West, will be of interest to the citizens of Glendale in that it sets at rest all rumors and reports that the show was not to be held in this city. Mr. Chandler, to whom it was written, was appointed by the joint committees of the city of Glendale to find out positively just what the management proposed to do about the location:

August 28, 1920.

Mr. Charles Chandler,
Investment Bldg.,
Los Angeles, Cal.

Dear Sir:

Your letter of August 24th has been received and in answer will say that we are very glad to have the co-operation as outlined in your letter. We are now going forward with our plans to hold the show at Glendale and this letter serves to notify you and assure you that the National Tractor and Implement Show of the West will be held in Glendale September 20th to 26th.

It will interest you to know that the truck people have now granted permission to their members relative to this exhibition and accordingly the truck representatives are going to exhibit in full force. Likewise they are going to advertise to their dealers and others interested in the truck industry and this fact alone will swell the attendance at this great show.

I believe that the citizens of Glendale will be very happy over the fact that this show is held in their city. I believe furthermore that the advertising which we are doing in placing Glendale before the thousands of people all over the country will be a great piece of publicity for you.

Again assuring you that we appreciate the work and co-operation which you are giving, we are

Yours very truly,

NATIONAL TRACTOR AND IMPLEMENT SHOW OF THE WEST.
(Signed) GUY HALL.

Attracts Sister Here

Soon after Harry Korb and family came out to Glendale from Wilkinsburg, Pa., on account of Mrs. Korb's health, they sent back to a sister of the latter living in East Liberty, another suburb of Pittsburgh, such glowing accounts of the new home that she speedily caught the California fever and decided to follow, about the middle of August with one of the children, leaving her husband to follow with the other two a month later, after she had secured a place for them to live. Just as she was ready to start, however, he called it off, saying they would make the move all together, later. So, about October 1st, Lee Littell, wife and three children will come to Glendale to live. They expect to make their home with the Korb's, who have already bought a lot on East Harvard and built a small house, until they can build for themselves.

Death of Mrs. Noble

Mary Ann Noble, aged 85 years, died in Glendale August 29th, after a lingering illness. She leaves three grand-daughters, Mrs. Odell of 2815 Sixth avenue, Los Angeles; Mrs. C. M. Brubaker of 1529 1/2 West 12th street, L. A.; and Mrs. Rathbun of 1415 Winfield avenue, L. A., with whom she made her home in turn when they lived in Glendale and after they moved away. Mrs. Noble was a member of the Casa Verdugo M. E. Church for several years and made many friends during that time, who sincerely mourn her passing. Funeral services will be held tomorrow, 2 p. m., at the Jewel City Undertaking Company parlors, Rev. Julius Soper officiating. Interment will be in Forest Lawn cemetery.

Builds Four Houses

Bert Cline is doing his bit toward relieving the house famine in Glendale by building four houses on Valley View Road, just north of Lorraine street, on lots he recently bought there. They are to be 5-room houses and the first one is now under construction. Mr. Cline is also building a fine, large home in the same block for W. A. George. As all these are just outside the city limits they do not appear in the list of building permits.

LEGION CEMENTS TIES

POSTS OF NINTH DISTRICT FORM CLOSE FRATERNAL ASSOCIATION

"One of the marked features of the state convention of the American Legion in San Diego, last week, the first yet held, was the movement toward cementing the ties between adjacent posts," remarked James F. McBryde of Glendale 127. Thus the posts of the Ninth Congressional District occupied a section of the convention hall together and united in pushing the claims of candidates for office from the district. Both the candidates for commander are from this district, one a major and the other a second lieutenant. The latter, Buron Fitts of Los Angeles, won out. As an earnest of the close affiliation of the posts of the district, Earl S. Messer, adjutant of Pasadena Post No. 13, has sent to the members of the Glendale delegation a cordial invitation to attend a dinner given by the Pasadena delegates to the recent convention on Thursday evening, September 2. Among other fraternal expressions by Adjutant Messer were the following: "It was a great pleasure to know you and work with you in the convention at San Diego. We wish to cement those bonds of friendship more closely together and therefore hope that you will be able to accept our invitation."

Come From Boston

C. E. Babcock, who has recently entered the lists of those building homes in Glendale, was joined recently by an old friend from Boston, Mass., Fred D. Weeks, who, with his wife, has come to locate in Glendale. They will live with the Babcocks until a home, now building, is ready for them, and Mr. Weeks will collaborate with Mr. Babcock in building residences on part or all of 19 lots they own. Mr. Babcock is now completing a beautiful Spanish type bungalow at 725 South Maryland Ave.

Refuses Work

G. W. Calkins, the contractor, says he was offered three houses to build in one day last week, a 5-room, a 6-room and a 7-room residence, but he turned all down because he had two large jobs on hand now and also it would be very hard to get enough carpenters to do the work. He has the \$15,000 residence of Frank Fox, corner Kenwood and Lexington Drive, about half finished, and has a 7-room house to build on Valley View Road for Mr. Colson.

From Cotton Country

Wm. Anderson and son George are here from the ranch near Blythe for a two weeks' visit to the old home. Mr. Anderson was formerly a building contractor in Glendale and was at one time a city trustee. He now owns two ranches near Blythe, one of 80 and the other of 40 acres. He has 100 acres in cotton, the short staple variety. It is all in very good shape and will bring him considerable money. Picking will begin the last of next month. He brought with him a branch from one of the cotton plants that has 25 or 30 bolls on it.

Vacation at Beach

Rev. W. E. Edmonds, pastor of the Glendale Presbyterian Church, left this morning for the beaches for a much needed time of rest and recreation. Rev. Edmonds will be absent for three weeks, during which time his pulpit will be supplied both morning and evening. The many friends of Rev. Edmonds wish for him a most pleasant and profitable vacation time and will look forward to the time when he shall return to Glendale rested and refreshed from the short time of rest at the beaches.

Parade for Van de Water

An auto parade in the interests of Mr. Van de Water's candidacy for Congress in the 9th District was touring Glendale's principal streets this forenoon. Quite a large number of autos, bedecked with large posters, were in the procession which was headed by a bugler. This was somewhat of a novelty in the way of campaign advertising.

The extra tire attached to the back of James McBryde's auto was stolen from the machine as it stood in the rear of the De Luxe Apartments, Saturday night.

To the Citizens of This, the 61st Assembly District:

We regret that misrepresentation has been resorted to by a political opponent of JOHN ROBERT WHITE, in an endeavor to injure his candidacy for the Republican nomination for the Assembly in this District.

After careful consideration by our Campaign Committee of the records of all candidates who aspired to this high office, it was unanimously decided to endorse Mr. White. He received this endorsement because of his record as a citizen, successful business man and competent and fair Legislator. Mr. White did not seek this office and it was only after great persuasion upon the part of his friends and constituents that he did accept the nomination for this high office.

We consider the citizenship of this District fortunate in being able to have a man of Mr. White's character and ability to represent them in the law-making body of our State.

His opponent at no time was offered the endorsement of this organization, nor asked to sign or accede to a pledge of any kind whatsoever, nor has any other candidate for any office been asked to do so.

We emphatically refute the statement that this Association has issued any pamphlet or other literature of any kind whatsoever in opposition to the following matters:

First--Abolition of Child Labor and Compulsory Education of all children from six to sixteen years.

Second--Eight-Hour Law and Forty-four Hour Week and a Weekly Day of Rest.

Third--Abolition of Night Work for Women and Minors.

Fourth--The establishment of Minimum Wage in every state, etc.

Fifth--Equal Work and Wages Based on Occupations, Not on Sex.

Sixth--The Right of all workers to Organize and Bargain Collectively Through Their Chosen Representative.

Seventh--The Establishment of State and Federal Employment System and the Establishment on a Permanent Basis of Women's Industrial Service in the United States Department of Labor.

We further **POSITIVELY REFUTE** the statement that the opposing candidate has received the endorsement of the Anti-Saloon League.

Association For Betterment of Public Service

H. M. HALDEMAN, Chairman Executive Committee.
MRS. O. P. CLARK

MRS. G. M. SWINDELL
CHARLES TOLL

—Executive Committee

By

W. A. BARKER, President

To the Fair Minded Citizens of This, the 61st Assembly District:

I am seeking re-election as the Republican Candidate for the Assembly upon my past record as a citizen and legislator. I stand firmly for the following principles:

The Square Deal.

Opposition to all Class and Radical Legislation.

Retrenchment of Expenses in State Government, and the Consolidation of Existing Boards, Commissions, Bureaus, Offices, and Other Agencies of State Government into a Smaller Number of Co-ordinated Departments.

Equitable Pay for all Teachers and Full Support for all Necessary Educational Measures.

Elimination of Ownership or Control of Our Lands by Japanese or Other Non-assimilable Peoples.

Reasonable Legislation in Connection with Soldier Bonus, Soldier Land Settlement and Compensation for Disabled Soldiers.

Absolite Enforcement of all Prohibition Statutes and Enactment of Moral Laws.

Vote Tomorrow at the Primaries which is the Most Important Election

ANNOUNCEMENTS

ADVERTISEMENTS

NOTICE TO REPUBLICANS

There are nine candidates on the ballot for members of the County Central Committee, but there are fifteen places to be filled. In addition to voting for the nine names on the ballot, you are requested to write in the names of the following, who have consented to accept if elected.

W. E. EVANS,
MARK L. HERRON,
ARTHUR CAMPBELL,
J. C. SHERER,
J. H. FRANKLIN,
WESLEY H. BULLIS.

Sixty-First District Republican Club.
By Charles L. Chandler, Secretary.

WAYS AND MEANS

The Ways and Means Committee of the Glendale Tractor Show management is asked to meet in the office of the City Manager at the City Hall, Tuesday evening, August 31, at 8 o'clock. It is important that all members of the committee be present as the time is quite short in which to plan and do the many things that will fall to the several Glendale committees in connection with this matter. Let every member set aside, NOW, that evening for attending to this important work.

HERMAN NELSON,
Chairman.

STUDIO OF MUSIC

Nettie B. Campbell will open a studio for teaching piano, September thirteenth, 316 East Dryden Street. Specialize with children. Phone Glendale 1532-J.

DODGE HEADQUARTERS

The campaign headquarters of Jonathan S. Dodge for Supervisor of the Fifth District will be located at 111 W. Broadway. Those interested in the success of his campaign, call Glendale 1939 or Glendale 1549-M. HELEN HOSFORD.

Personals

Mr. and Mrs. Hammer of Des Moines, Iowa, are visiting their son, C. C. Childs, of 345 Myrtle.

The Los Angeles city schools opened this morning, two weeks ahead of the time set for the Glendale schools.

F. McG. Kelley and wife returned home Saturday from an outing of several days at San Diego.

Mrs. Richard Harter Wells of 404 West Broadway has returned from a week's visit in San Diego and Coronado.

Mr. and Mrs. Geo. C. Hastings of 319 West Lexington Drive entertained Rev. and Mrs. J. A. Wood of South Pasadena, Sunday.

Mr. and Mrs. James F. Marrs are new Glendale residents, moving from La Canada to a home they purchased at 1215 East Harvard St.

John D. Cole has bought a lot at the southwest corner of Brand and Burchett and will this week commence the erection of a 4-room house on the rear of it.

Mrs. O. F. Rominger, her daughter Charlotte and baby Jimmy of 341 South Orange, arrived at home Saturday from a visit of several weeks to the old home in Indiana.

Misses Lillian and Birdie Shropshire returned home Saturday from a two weeks' visit in San Francisco and other points north and Miss Lillian went over to Ontario to spend Sunday with her mother.

Mrs. Frances Stamp and daughter Lillian have moved to Glendale from Los Angeles, buying a home at 615 South Louise. Mrs. Stamp's mother, Mrs. L. W. Shrimpland, is living with them.

Dr. Wiggins and wife of St. Louis, Mo., have been the house guests of Mr. and Mrs. F. B. Morse of 125 South Everett street for several days. Dr. Wiggins left Saturday evening for the St. Louis home and Mrs. Wiggins will remain for a short time in Glendale before joining her husband.

Mrs. Mary E. Shropshire, who has been staying in Ontario for a few months, came over Friday to attend the monthly business meeting of the Sunday School class of which she is a member and help celebrate the birthday of a close friend, Mrs. J. H. Daugherty.

Misses Grace and Elizabeth Utter spent Sunday in Glendale with friends. Their parents, Rev. J. W. Utter and wife, recently moved to the ranch at Corona from Covina, where Rev. Utter preached for several years. The young ladies, however, are both working in Los Angeles and making their home there.

Miss C. E. Griffith of 1321 Valley View Road entertained several dinner guests last week in honor of Mrs. C. D. Shattuck's birthday. A delicious four-course chicken dinner was served, followed by a delightful evening devoted to music and cards. The guests were Mr. and Mrs. C. D. Shattuck and Mr. and Mrs. J. C. Danford.

H. A. Page sold his home at 126 Franklin Court last May to Mrs. Sarah Thomas, but the family have occupied it since then as renters. Miss Thomas sold the place to an old couple living near Santa Ana and they will take possession soon. The Pages will move into their own property at 1000 South Glendale avenue.

Mr. and Mrs. S. B. Van Osdoll and Mrs. S. B. Warner, the last named being the mother of the organist of the First M. E. Church, motored to Pine Crest Saturday to visit Rev. Clyde Monroe Crist and family, who are spending their vacation there. It was Mr. Van Osdoll's birthday and they celebrated it with a bounteous dinner at which the pastor and family were honored guests.

(Opposite Fire Station)

312 E. Broadway Glendale 917

Mr. and Mrs. John Hyde Braly and their house guest, Mrs. Braly's daughter, Mrs. Charles Kirk of Santa Barbara, returned yesterday from a pleasant outing at Big Bear Lodge. They would have remained longer had it not been for the primary election Tuesday.

B. R. Bennett, who recently bought J. E. Jeter's place at 217 E. Chestnut, is now a regular reader of the Evening News. He has been living in Los Angeles for 14 years, and during a good part of that time working with W. A. Echols of 115 West Elk avenue for the Salt Lake Railway Company and he says the latter finally got him to come to Glendale to live.

W. E. Lyon of 214 North Louise received a telegram Saturday from Long Beach announcing the death of an uncle, Wm. Pilgrim, and conveying the information that the funeral will be held in Riverside, his former home, this afternoon. Mr. Lyon and wife and their daughter, Mildred, also Mrs. J. E. Lyon of 619 North Maryland avenue, went to Riverside this morning to attend the funeral.

Actress Badly Burned

Mrs. J. Landers Stevens of 604 N. Louise, known to the films as Georgia Cooper, was severely burned by a gas explosion last Friday morning. She went to the kitchen to light the gas, and, unaware that the burner had been leaking for some time, struck a match to it and the resulting explosion burned her face, neck and shoulders very seriously and singed off a great deal of her hair. Her sister happened to be passing and heard her scream for help. She rushed in and at once applied first-aid treatment, such as she had learned in army work as a nurse. While the burns are very painful, it is thought no scars will be left.

There has been no decrease in the output of stumbling blocks.

America on the Seas

What promises to be a happy solution of one of the vexatious problems raised in connection with the re-establishment of our mercantile marine is the arrangement, made with the approval of the United States shipping board, under which American ships are to be operated over the trade routes of the Hamburg-American line.

We have acquired a large fleet of merchant vessels; opportunities for foreign trade await us, and with the cessation of railroad building and the more or less complete development of other fields for internal investment, capital is seeking an outlet elsewhere.

With a large part of the world's tonnage now under the American flag, and with public sentiment opposed to selling the ships to foreigners, the thought of enterprising men has naturally been to make a bid for the ocean-carrying trade which before the war was in the hands of European interests. It was found, however, that we would be seriously handicapped at the outset by our lack of experience, and that this would make it no easy matter to compete successfully with the British steamship lines. Experience, it was discovered, is as essential to success as capital and aggressiveness. The English companies, established for many generations, and with connections and agencies in every important port, are thoroughly acquainted with the business; we have it yet to learn.

The ablest competitors of the British before the war were the German steamship companies. The trade routes of the Hamburg-American line, along with its steamers plied regularly before the war, cover the earth. The Germans know the business, but have no ships; we have the ships but do not know the business. It has been only logical, therefore, that an understanding should be reached under which, in return for certain concessions to the Germans, they should give us the benefit of their experience and of the great organization which they had built up in all parts of the globe. It amounts to making the Hamburg-American line an American institution.

Not a Joke, Please

"Who's your tailor?"
"It's no use asking. I paid him today for this suit and he's probably retired from business by now."

INCREASE IN WAGES FOR MINERS

WASHINGTON, Aug. 30.—President Wilson today approved the majority report of the anthracite coal commission giving miners an approximate increase of 17 per cent in wages.

STEAMER STILL STUCK IN MUD

(Special Service to Glendale Evening News)

SAN FRANCISCO, Aug. 30.—The Dutch steamer Arakan, was still stuck on the mud and rocks thirty miles north of San Francisco today, according to wireless reports here. While the steamer is reported leaking slightly, no immediate danger of destruction was expected.

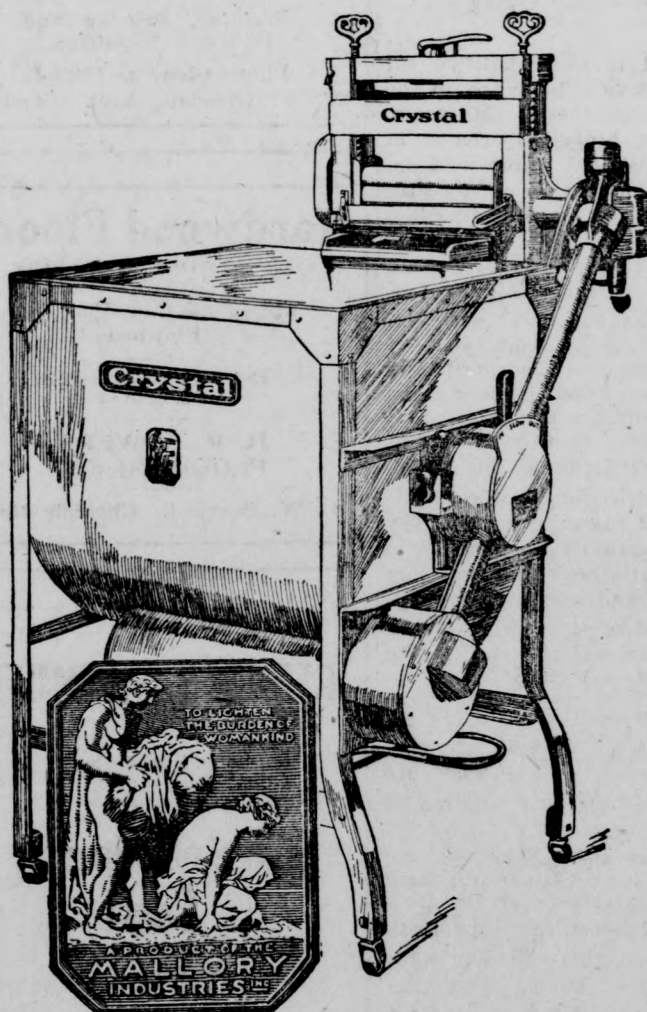

Several tugs sent to her rescue have not been able to pull the steamer from the reefs.

GAYS EXTRADITED

(Special Service to Glendale Evening News)

LOS ANGELES, Aug. 30.—Deputy sheriffs were expected to arrive here tomorrow with Dominico Gays, alleged slayer of Deputy Marshal Robert Norman of Burbank. Gays was arrested at Clifton, Arizona, and is said to have confessed the murder.

LETTER TO VOTERS

CLUB WOMEN ASK FOR SUPPORT
AT THE PRIMARIES FOR
DR. JESSIE RUSSELL

Los Angeles, Cal., Aug. 21, 1920.
My Dear Friend:

As you know, Dr. Jessie A. Russell, an active member of a number of Women's Clubs and State President of the California Congress of Mothers and Parent-Teacher Associations for the past three years, is a candidate for the Legislature from the Sixty-first Assembly district, and realizing that you want the very best for that office we are asking you to support her.

Dr. Russell is well qualified for the office, having studied law at the University of Southern California, and having a broad experience in practical legislative work. Keen, alert, an eloquent and forceful speaker, an expert parliamentarian, she would reflect credit not only upon her sex, but upon the citizens as a whole. Never in the history of California was the women's voice, influence and vote so needed in our legislature to protect the moral laws we now have; enact those needed and to ward off the measures that would, if passed, destroy much of our welfare legislation of the past.

Four northern women were elected to the last legislature. We now have an opportunity to send one from the South of whom we may well be proud and who will also represent the entire state with credit. We women are certainly entitled to recognition and especially when we have so capable a woman as a candidate. Dr. Russell is well and favorably known throughout the state and as a member of the Assembly will be a power in the promotion of constructive legislation.

Two men are also candidates for the same office, neither of whom has had the experience of Dr. Russell. All three are on the Republican ballot, so the election will take place at the Primary, August 31st, the candidate having the highest vote being the only one on the ticket in November, so you can see how necessary it is to get out the Republican vote for Dr. Russell on August 31st. EVERY ONE COUNTS!

Will you communicate with your friends AT ONCE and get them to promise to vote for Dr. Russell and to get their friends to do likewise? Your personal work NOW will be of the greatest assistance. We women certainly owe it to Dr. Russell in recognition of her many years of

public service to see that she is elected, and it is up to us to do it!

Dr. Russell has always given generously of her time and ability to helping others, now let us unite in getting out a record vote for her on August 31st.

Cordially yours,
Mrs. Florence Collins Porter,
Mrs. L. W. Harmon,
Mrs. J. B. Stearns.

FISH AND GAME

HUNTING PARTY FROM GLENDALE VERY SUCCESSFUL,
GET 4-POINT BUCK

On Saturday a party of hunters consisting of Sam Neighbors and his father, James Neighbors of Downey, Tom Hutchinson and G. W. Warner returned from a two weeks' hunting trip in the region around Sequoia National Park, near Mt. Whitney. They came in by pack train eight miles from Olancha and returned the rest of the way as they went, by auto. They had a splendid time, getting much fish and game. Two bucks were killed, one a very large four-pointer. Charles Hutchinson, who joined the party after the first few days, was the champion fisherman and furnished most of the fish caught for the camp. He liked the sport so well that he decided to remain in the mountains of Tulare county a few days longer.

On Eve of Election

It is not always wise to depend upon public statements as to weak points of candidates just preceding election. The safe way is to look up the record of the candidates for office in sufficient time to be convinced that the reports you get are correct. It is not likely that a man or woman who has lived in a community for many years will run the campaign gauntlet without having their imperfections brought out until the day before election. It is a very easy matter to place before the public printed literature that tells half of the story of the career of a man while in office. So, as a matter of fairness, the Evening News advises voters to consider very carefully the source of information concerning the harmful reports about candidates.

New Traffic Signs

Judge F. H. Lowe has given out information that pointed signs will soon be placed on the congested traffic parts of the streets giving warning that autos are not to turn on Brand Blvd. between crossings on that portion of the boulevard between Wilson avenue and Colorado street, and between crossings on Broadway from Glendale avenue to Central avenue.

Advertiser it, or advertise for it in the Evening News.

Our County Does An Annual Business of Over \$30,000,000

The Executive Head of our organization for conducting the County's business (which is your business and our business) is

JONATHAN S. DODGE

Chairman of the Board of Supervisors

He brought to the office a high degree of ability and sound business experience, and he is better fitted now by far to conduct the County's affairs. He has been in the service for four years, he is familiar with all its details, and he has proved himself to be in public office just what he is in private life, a careful, capable business man. His record is one of progress, achievement and efficiency.

We firmly believe that the interests of Los Angeles County will be best served if he is re-elected, and we recommend that all who are qualified to do so cast their votes at the Primary Election on August 31st for Mr. Dodge for Supervisor of the Fifth District.

Respectfully,

WM. H. ALLEN, JR.
H. J. WHITLEY
HERBERT L. CORNISH
GEORGE S. MARYGOLD

FRED W. PRINCE

WILLIS I. MORRISON
HARRY LEE MARTIN
WATT L. MORELAND
MOTLEY H. FLINT

GAS FRANCHISE

NOTICE OF SALE OF FRANCHISE TO LAY GAS PIPES

To Whom It May Concern:

Notice is hereby given that an application has been made to the Board of Trustees of the City of Glendale for a franchise, granting the right for a period of forty (40) years, to lay, construct, maintain and operate a single line of pipe for the purpose of carrying therein oil, natural gas, or artificial gas, under and along a certain portion of that public street known as San Fernando Road in the City of Glendale, and that it is proposed by the said Board of Trustees to offer for sale and grant to the highest bidder said franchise upon the terms and conditions herein mentioned and said franchise is described as follows, to-wit:

A franchise, granting the right for a period of forty (40) years, to lay, construct, maintain and operate a single line of pipe for the purpose of carrying therein oil, natural gas, or artificial gas under and along that portion of that certain public street known as San Fernando Road in the City of Glendale described as follows:

Beginning at a point on the northern boundary line of the City of Glendale, said point being within the lines of that certain street in said City known as San Fernando Road; thence following the course of said San Fernando Road to the point of intersection of the northern property line of that certain street in the City of Glendale known as Doran Street.

That the terms and conditions upon which said franchise will be offered for sale and granted are as follows, and the grantee of said franchise or assigns shall be required to file a written acceptance of the terms and conditions thereof with the clerk of the City of Glendale, within thirty days after the passage of the ordinance granting the same.

That the grantee of said franchise, his, its or their successors or assigns, shall have the right to construct and maintain such traps and manholes as may be necessary to afford proper access to the said pipes and pipe lines for cleaning and maintaining the same, and said traps and manholes shall at all times be kept flush with the surface of the highway and so located as to conform to any order of the Board of Trustees of said City in regard thereto, and not to interfere with the use of the highway for travel, water mains or permanent culverts along said street. The grantee of said franchise, his, its or their successors or assigns, shall have the right, subject to such regulations as are now or hereafter may be in force, to make all necessary excavations in said highway for the construction and repair of said pipe lines, traps and manholes.

That the pipes to be laid and maintained under said franchise shall be of steel, of good workmanship and of an internal diameter of not less than twelve (12) inches nor more than sixteen (16) inches.

That the grantee of said franchise, his, its or their successors or assigns shall furnish and sell to the City of Glendale, or to any person or company operating a distributing system and maintaining the same in the City of Glendale, now or hereafter, gas for domestic and manufacturing purposes, and that the gas so furnished shall be of good quality, free of injurious ingredients and of sufficient purity to be suitable for domestic use or manufacturing use, and that the grantee of said franchise, his, its or their successors or assigns, shall, upon request made by the City of Glendale, or by any person operating a distributing system now or hereafter in said City of Glendale, and upon payment of his, its or their reasonable charges for making the connection and for furnishing gas, furnish to such person, company or the said City of Glendale an adequate supply of said gas for domestic or manufacturing use, or for both such purposes.

That in event the said grantee, his, its or their successors or assigns shall in fact convey oil through said system of pipe lines said City of Glendale and all persons residing therein shall be entitled to receive from said grantee of this franchise an adequate supply of oil for domestic and manufacturing purposes, that the oil so to be furnished by said franchise, his, its or their successors or assigns shall be of the same purity and grade as the oil furnished by said grantee, his, its or their successors or assigns to other customers along said pipe line system and at the termini thereof, and that the grantee of said franchise, his, its or their successors or assigns, shall, upon request from and by said City of Glendale, or by any person or company operating a distributing system now or hereafter in said City of Glendale for the distribution of oil and upon payment of his, its or their reasonable charges for making the connection and for furnishing such oil, furnish to such person or company or the said City of Glendale an adequate supply of said oil for domestic or manufacturing use or for both such purposes.

That all pipes shall be laid not less than two feet under ground, and, unless the Board of Trustees of said City shall otherwise direct, shall be laid along the sides of the highways and shall be within five feet from the curb lines in said street, and shall not be nearer than three feet to the macadamized portion of said road; and in the event that it is necessary to cross any portion of macadamized road, cement gutter or culvert, the same shall be done in such manner as not to disturb the foundation thereof, and in event the same cannot thus be done, the said crossing shall be made under a special permit to be granted by the Board of Trustees of said City upon application therefor, said application to be accompanied with a drawing, specifications and explanations, showing the necessity for the same.

That during the laying or repairing of any such pipes, any trench or excavation made for such purpose shall, from sunset to sunrise, be barricaded and protected by lanterns placed at distances of not more than one hundred feet apart, along such trench or excavation, one of which shall be placed in the center of any cross street fronting on said San Fernando Road, at the point where said work is in progress.

That every pipe line constructed, maintained or repaired under the provisions of this franchise shall be constructed, maintained and repaired in accordance and conformity with all of the ordinances, rules and regulations now in force and that may hereafter be adopted and prescribed by the Board of Trustees of said City of Glendale.

That the work of laying or repairing such pipes or other appliances shall be conducted with the least possible hindrance to the use of said highways for the purposes of travel, and as soon as the laying or repairing of any pipe or appliance is completed, all portions of the highways which have been excavated or otherwise injured thereby shall be placed in as good condition as the same were before the laying of such pipes, to the satisfaction of the Board of Trustees of said City of Glendale.

That if any portion of said highway shall be damaged by reason of leaks in any pipe laid under said franchise, or by any other cause, the grantee of such franchise, his, its or their successors or assigns, shall, at his, its or their own expense repair any such damage and put said highway in as good condition as before such leak, or other damage, to the satisfaction of the Board of Trustees of said City.

That if the grantee of said franchise, his, its or their successors or assigns, shall fail to comply with any of the instructions of said Board of Trustees with respect to the location of any portion of said system of pipes and pipe lines, or the repair of any damage to highways, within ten days after the service of written notice upon said grantee, his, its or their successors or assigns, requiring compliance therewith, then said Board of Trustees may immediately do whatever work is necessary to carry out said instructions, at the cost and expense of said grantee, his, its or their successors or assigns, which costs, by the acceptance of said franchise, said grantee, his, its or their successors or assigns agree to pay upon demand.

That the work of constructing and laying said system of pipes and pipe lines, shall be commenced in good faith within not more than four months from the granting of said franchise.

That the said grantee of said franchise, his, its or their successors or assigns shall, during the life of said franchise, pay to the City of Glendale, in lawful money of the United States, two per cent of the gross annual receipts of such grantee and his or its successors or assigns arising from the use, operation or possession of said franchise. No percentage shall be paid for the first five years succeeding the date of said franchise, but thereafter such percentage shall be payable annually.

And it shall be the duty of the grantee of said franchise and of his or its successors or assigns, to file with the Clerk of said City of Glendale at the expiration of six years from the date of granting said franchise, and at the expiration of each and every year thereafter, a statement, verified by the oath of the manager or presiding officer of said grantee or his or its successors or assigns, showing in detail the total gross receipts and gross earnings collected or received by said grantee or his or its successors or assigns during the preceding twelve months, arising from the use, operation or possession of said franchise, and within ten days after the time for filing the aforesaid statement, it shall be the duty of said grantee and his or its successors or assigns to pay to the City Treasurer of the City of Glendale the aggregate sum of the said percentage upon the amount of the gross annual receipts arising from the use, operation or possession of said franchise, and if the amount paid is incorrect, in the judgment of the Board of Trustees, they may order the payment of such additional sum as they may find due hereunder, and if not paid, the same may be collected by suit. And any neglect, omission or refusal by said grantee or his or its successors or assigns to file said verified statement, or to pay the said percentage of the said gross annual receipts at the times or in the manner hereinbefore provided, shall ipso facto work a forfeiture of said franchise and all of rights thereunder, to the City of Glendale.

That said grantee or his or its successors or assigns shall not sell, transfer, assign or lease said franchise or any part thereof, or any of the rights or privileges granted thereby, except by a duly executed instrument in writing filed in the office of the Board of Trustees of the City of Glendale, and nothing in said franchise contained shall be construed to grant to said grantee or his or its successors or assigns any right to sell, transfer, or assign or lease said franchise or any of the rights or privileges thereby granted except in the manner aforesaid.

Nor shall gas or oil be carried by

the said grantee, its successors or assigns through the pipe line for the construction of which this franchise is granted be disposed of directly or indirectly to any competitor of said grantee or its associated or subsidiary companies, operating in said City of Glendale, and be sold therein, except by the consent of the Board of Trustees of said City.

That any neglect, failure or refusal to comply with any of the conditions of said franchise shall thereupon immediately ipso facto effect a forfeiture thereof, and the said City, by its Board of Trustees, may thereupon declare said franchise forfeited, and may exclude said grantee or his or its successors or assigns from further use of the highways of said City under said franchise; and said grantee or his or its successors or assigns shall thereupon and immediately surrender all rights in and to the same, and said franchise shall be deemed and shall remain null, void and of no effect.

Notice is hereby given that sealed bids in writing will be received at the office of the City Clerk of said City of Glendale for said franchise up to 8:30 o'clock in the afternoon of the 30th day of September, 1920.

That the bids received will be opened at that time; that all bids must be for the payment of a stated sum in gold coin of the United States; and that the franchise will be struck off, sold and awarded to the person, firm or corporation who shall make the highest cash bid therefor, provided only, that at the time of opening said bids, any responsible person, firm or corporation, present or represented, may bid for said franchise a sum not less than ten per cent above the highest sealed bid therefor, and that said bid so made may be raised not less than ten per cent by any other responsible bidder, and said bidding may so continue until finally said franchise shall be struck off, sold and awarded by said Board of Trustees to the highest bidder therefor in gold coin of the United States, and provided further that the Board of Trustees reserve the right to reject any and all bids.

Each sealed bid must be accompanied with cash, or a certified check, payable to the City Treasurer of the City of Glendale for the full amount of said bid, and no sealed bid will be considered unless said cash or check is enclosed therewith; and the successful bidder must deposit at least ten per cent of the amount of his bid with the Clerk of said City before said franchise will be struck off to him, and if he shall fail to make such deposit immediately his bid will not be received and will be considered as void and said franchise will then and there be again offered for sale to the bidder who shall make the highest cash bid therefor, subject to the same conditions as to deposit as above mentioned. Said procedure will be had until said franchise is struck off, sold and awarded to a bidder who shall make the necessary deposit of at least ten per cent of the amount of his bid, as herein provided. Said successful bidder shall deposit with the City Clerk within twenty-four hours after the acceptance of his bid the remaining ninety per cent of the amount thereof, and in case he or it fails to do so, then the said deposit theretofore made will be forfeited, and the award of said franchise will be void, and said franchise will then and there, by the said Board of Trustees, be again offered for sale to the highest bidder therefor, in the same manner and under the same restrictions as hereinbefore provided, and in case said bidder fails to deposit with the City Clerk the remaining ninety per cent of his bid within twenty-four hours after its acceptance, the award to him of said franchise will be set aside, and the deposit theretofore made by him will be forfeited and no further proceedings for the sale of said franchise will be had until the same shall be readvertised for sale.

Notice is also hereby given that the successful bidder for said franchise must, within five days after said franchise is awarded to him or it, file with the said Board of Trustees a bond running to said City in the penal sum of One Thousand (\$1000) Dollars with at least two good and sufficient sureties, to be approved by said Board of Trustees, conditioned that said bidder will construct said pipe lines and shall well and truly observe, fulfill and perform each and every term and condition of said franchise, and that in case of any breach of condition of said bond, the whole amount of the penal sum therein named shall be taken and deemed to be liquidated damages and shall be recoverable from the principal and sureties upon said bond. If said bond be not so filed, the award of said franchise will be set aside, and any money paid therefor will be forfeited. The Board of Trustees reserve the right to grant similar franchise over said street to any other person or company.

J. C. SHERER, City Clerk of the City of Glendale.

CHRISTIAN CHURCH

SUNDAY SERVICES WELL ATTENDED—PREPARING FOR STATE CONVENTION

Sunday was "Ohio Day" in the Bible School of Central Christian Church, but the Buckeyes fell down and had no decorations nor "stunts." The attendance was excellent, however, as it has been during the entire summer, there having been no "summer slump" for the first time in the church's history.

The morning sermon was on "Knowing and Not Doing," and was from the text, "He that knoweth to do and doeth it not, to him it is sin." The speaker declared that simply to refrain from committing sins is not enough, for the great sin is that of omission. We are debtors to those around us in that we owe them good deeds. The speaker said he believed the Lord's Prayer should not be changed from the original reading of "Forgive us our debts as we forgive our debtors" for we need to be pardoned for our sins of omission in failing to pay the debts of mercy and good-will to those about us. The special song was by Mrs. Cleo Stoler.

The evening sermon was on "Pictures of the Kingdom," and was an exposition of the five parables in the 13th chapter of Matthew on what the kingdom of heaven is likened to. All these were explained and valuable lessons drawn from them. The special musical number was a very pleasing solo by Rev. Cole.

The pastor announced that no services would be held at the church during the week on account of the State convention which opens in the Bible Institute Wednesday morning. He referred to the fact that the Glendale church would be much in evidence in this convention as three important department heads, those of Christian Endeavor, Sunday School and Missions, in the persons of the pastor, Edgar Lloyd Smith and Mrs. Alice Jackson, are members of the Glendale church and will deliver addresses as well as conduct sessions of the convention. Also the church choir is to furnish the musicale for Friday night.

Roll Dem Bones

Prisoner Schreckmeister—"Hist! The American soldiers are planning a massacre in there."

Prisoner Pickelsteiner—"Ja. I heard one of them say 'shoot fifty,' and then I heard a sound like the rattling of the victims' teeth."

CHAMPION DRIVERS

NELL SHIPMAN AND COMPANION DARE DEATH IN DEVIL'S PUNCH BOWL

Wagering \$1000 that they could drive their motor car across the Mojave desert and to the bottom of the Devil's Punch Bowl, two young girls recently demonstrated their nerve and ability in such a forceful way that all Southern California has acclaimed them as the champion women motor car drivers of America.

In accomplishing their task and winning the gold, these two young girls dared death in a dozen forms, and the best of it is that you can see their daring recorded in motion pictures.

Through the enterprise of Chambers and Felts, Essex Motor Car dealers in this city, it is now possible for Glendale people to see Nell Shipman and Marjorie Cole drive their S-X Arrow motor car in this most daring stunt far out in the sand dunes and rocks of the Mojave desert.

The pictures will be shown at a free exhibition at 228 South Brand Boulevard, Friday and Saturday this week from 7 to 10 p. m., continuous. Chambers & Felts want every person in Glendale to accept their invitation to see "The Trail of the Arrow," and the two young girls daring death in their thrilling drive.

How to Get a Drink

I simply had to have a drink. Not merely one, but many. But gin was \$15 a quart and not much to be bought. I would have given anything to get some place where there was no prohibition. But I was nearly broke.

Suddenly I was inspired by a newspaper headline. At once I bought a false beard and a red flannel shirt. Then I wrote a note to the chief of police and procured a soap box. That night I addressed a howling mob down on Third Avenue. "To hell with the rich," I shouted again and again, and my audience took up the cry. Then came a wild yell of "cops" and in rushed the police. The chief had done his duty. "We'll have to deport you," said the sergeant to me. "Where do you come from?"

"Havana!" I bellowed triumphantly.—Yale Record.

The person who originated the idea of letting well enough alone probably ended his days in the poorhouse.

Going To Vote??? Why Not???

Save the Eagle

Only prompt federal action will save the American eagle from extermination by bounty hunters.

More than eight thousand eagles have been slaughtered along the coastal region and river valleys alone since the Alaskan bounty law went into operation on April 30, 1917. The law provides for the payment of 50 cents for each bald or "American" eagle killed.

In order to swell their gains, it is declared, bounty hunters are no longer limiting themselves to Alaskan territory but are reaching out into the British provinces adjoining Alaska in search of the rapidly-disappearing eagle. It is even possible that by this time more than one-half—perhaps more than three-fourths—of the entire species has been sacrificed and that within the next year or so there will be very few American eagles remaining alive with the exception of the scattered few to be seen, caged for life like malefactors, in the zoological parks.

The bald eagle never has been an abundant species. Estimates of its numbers are said to have been greatly exaggerated. Up to the year 1917 the only territory where the bald eagle thrived was along the coastal region and large river valleys of Alaska. Here the American eagle built its nest and multiplied exceedingly for a bird of its size. Advocates of the Alaskan bounty law declared that the American eagle was destructive and that its numbers must be kept down. The war of extermination followed and has been kept up ever since.

The general indifference to the fate of the great bird of splendid tradition is due, beyond doubt, to the common lack of information regarding its threatened extinction. The crusade for the bird's protection should enlist the enthusiasm and sincere effort of bird lovers and bird students throughout the country, of our scientific and patriotic societies and of the public press. It is only by the prompt passage of a federal law protecting the American eagle that our national bird can be saved from total extinction.

A Los Angeles man aged 100 has taken out a license to wed a woman aged 72. It is to be hoped that they have not acted hastily.

If Marshall Foch postpones his visit to the United States "until the European situation permits," there need be no undue haste in making preparations for his reception.

BY A. R. EASTMAN

Manager Glendale Branches, Los Angeles Trust and Savings Bank.

A. R. Eastman

The many advantages of the Arcadia Balloon School to Southern California are set forth in a statement by Dr. Ford A. Carpenter, manager of the Meteorological and Aeronautical Department of the Los Angeles Chamber of Commerce, which is making a vigorous campaign for favorable action on the Balloon School Bond issue at the election tomorrow.

While many are familiar with the commercial advantages of retaining the school and realize that by voting \$95,000 at the polls an annual expenditure of \$500,000 is assured indefinitely, they do not understand the scientific aspect of the situation. Neither has the importance of the Balloon School for defensive purposes in the event of attack by an enemy been dwelt upon at length. In the opinion of military men this feature alone makes the retention of the school vital to Southern California.

Briefly summed up, Dr. Carpenter's statement says: "Training for balloon and other lighter-than-air craft officers and men must be had in favorably located regions where the air conditions are good for beginners. No other place in the United States has the perfect air conditions for this work except Southern California and in all of this region, Arcadia has the greatest advantages. The Arcadia Balloon School has such ideal weather conditions that it might well be called the 'Kindergarten of the Sky'."

"The advantages of the Balloon School to commercial aeronautics is that it gives the airmen weather reports at different elevations up to two or three miles. This is accomplished through the use of their balloons and special observations which are taken several times a day."

"The study of the balloon school upper air bulletins gives those who wish to be weather-wise the very best and latest information as to impending storms and cold waves."

"The commercial advantages of having a military post of the highest type in this region with its thousands of officers and men and accompanying payrolls are too evident to be dwelt upon."

"The United States Government will continue the Arcadia Balloon School only on condition that the site be presented without cost," Dr. Carpenter's statement continues. "This can only be done by purchasing the land from the present owners by the County of Los Angeles and, in turn, transferring it to the government."

"Unless the county be empowered to make this purchase (amounting to less than \$100,000) Los Angeles will lose this military post."

Every resident of Los Angeles County is being urged to vote "Yes" on the Arcadia Balloon School Bond issue at the primaries tomorrow, because:

1. If Los Angeles is to hold first place in aerial navigation this school should be retained and developed.
2. In the event of aggression of the part of foreign foe, the Balloon School would be invaluable to the army and navy in defensive operations.
3. From either a commercial or military point of view, the school is most desirable to Los Angeles County.
4. After voting the \$95,000 the county of Los Angeles will not be called upon for any further expenditure, while the Balloon School will continue its disbursements of \$500,000 and upwards annually.
5. Failure to vote the bonds for the Arcadia Balloon School may mean an actual abandonment, as was the case in Camp Kearny.

"We are offered by the government an opportunity to secure the Arcadia Balloon School," is the statement of Capt. J. D. Fredericks, "and to have this demonstration of our superiority as an air navigation center on condition that Los Angeles County contribute to the government a portion of the expense of purchasing the site. Aside from the patriotic impulses of the time, it appeared to the Chamber of Commerce that this demonstration would be very valuable to the city and county in that it would develop enough trade each year by the furnishing of labor and supplies to the government to pay for the small expenditure we were asked to make. In addition to that it would demonstrate our air possibilities and bring to us manufacturing and experimental enterprises. All of these expectations have been thoroughly realized."

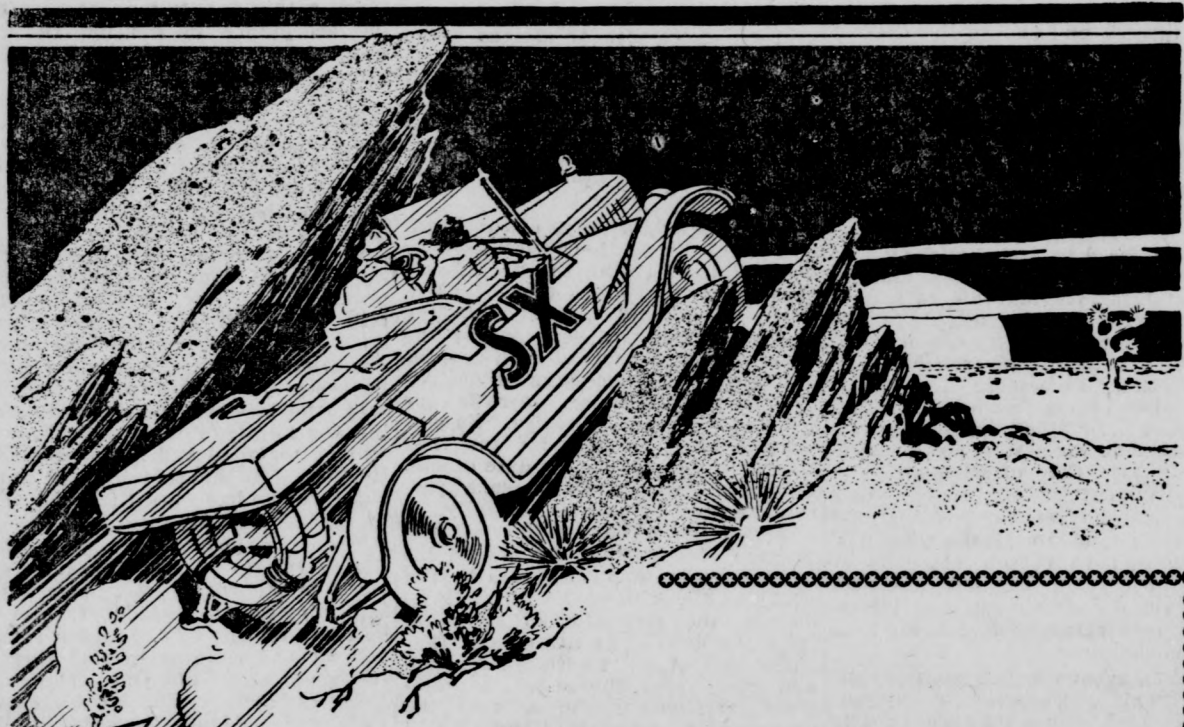

"Already over a million dollars has been appropriated by the government to establish an aerial mail route across the continent, and several corporations are now having estimates made as to the cost of taking their machinery and equipment into inaccessible places in mountains and desert by use of balloons and airplanes. All of these and many other activities were centered and directed here by reason of the foresight of the Chamber of Commerce in inducing the government to locate its experimental station here."

"In this connection the citizens of Los Angeles pledged the government that they would, by proper bond issue, raise the sum of \$95,000 to contribute toward the purchase price of the land for this enterprise. This pledge we are now asked to fulfill. The government has tendered its portion of the purchase price, and at the last election the bond issue to raise \$95,000 in Los Angeles County to meet our portion of the purchase price was defeated by reason of lack of information on the part of the people. This important question will be submitted again as a bond issue at the primary election tomorrow."

"Los Angeles pledged herself in the heat of war to this expenditure. The government acted upon this pledge and made its initial expenditure and established the enterprise here, the benefits of which are now accruing to us. We must vote these bonds to redeem our pledge and keep our faith with the government, and also to perpetuate the great advantages which have come to us in a commercial way by reason of securing this establishment here. Other communities, knowing that this bond issue has failed are now seeking to induce the government to abandon this enterprise and come to them. Nothing can defeat this bond issue except apathy on the part of the people."

The slogan of those favoring the authorization of the Balloon School Bonds is: "Vote yes on this and save \$1,600,000 Government School spending \$500,000 annually in Los Angeles County."
